Kelvyn Park High School

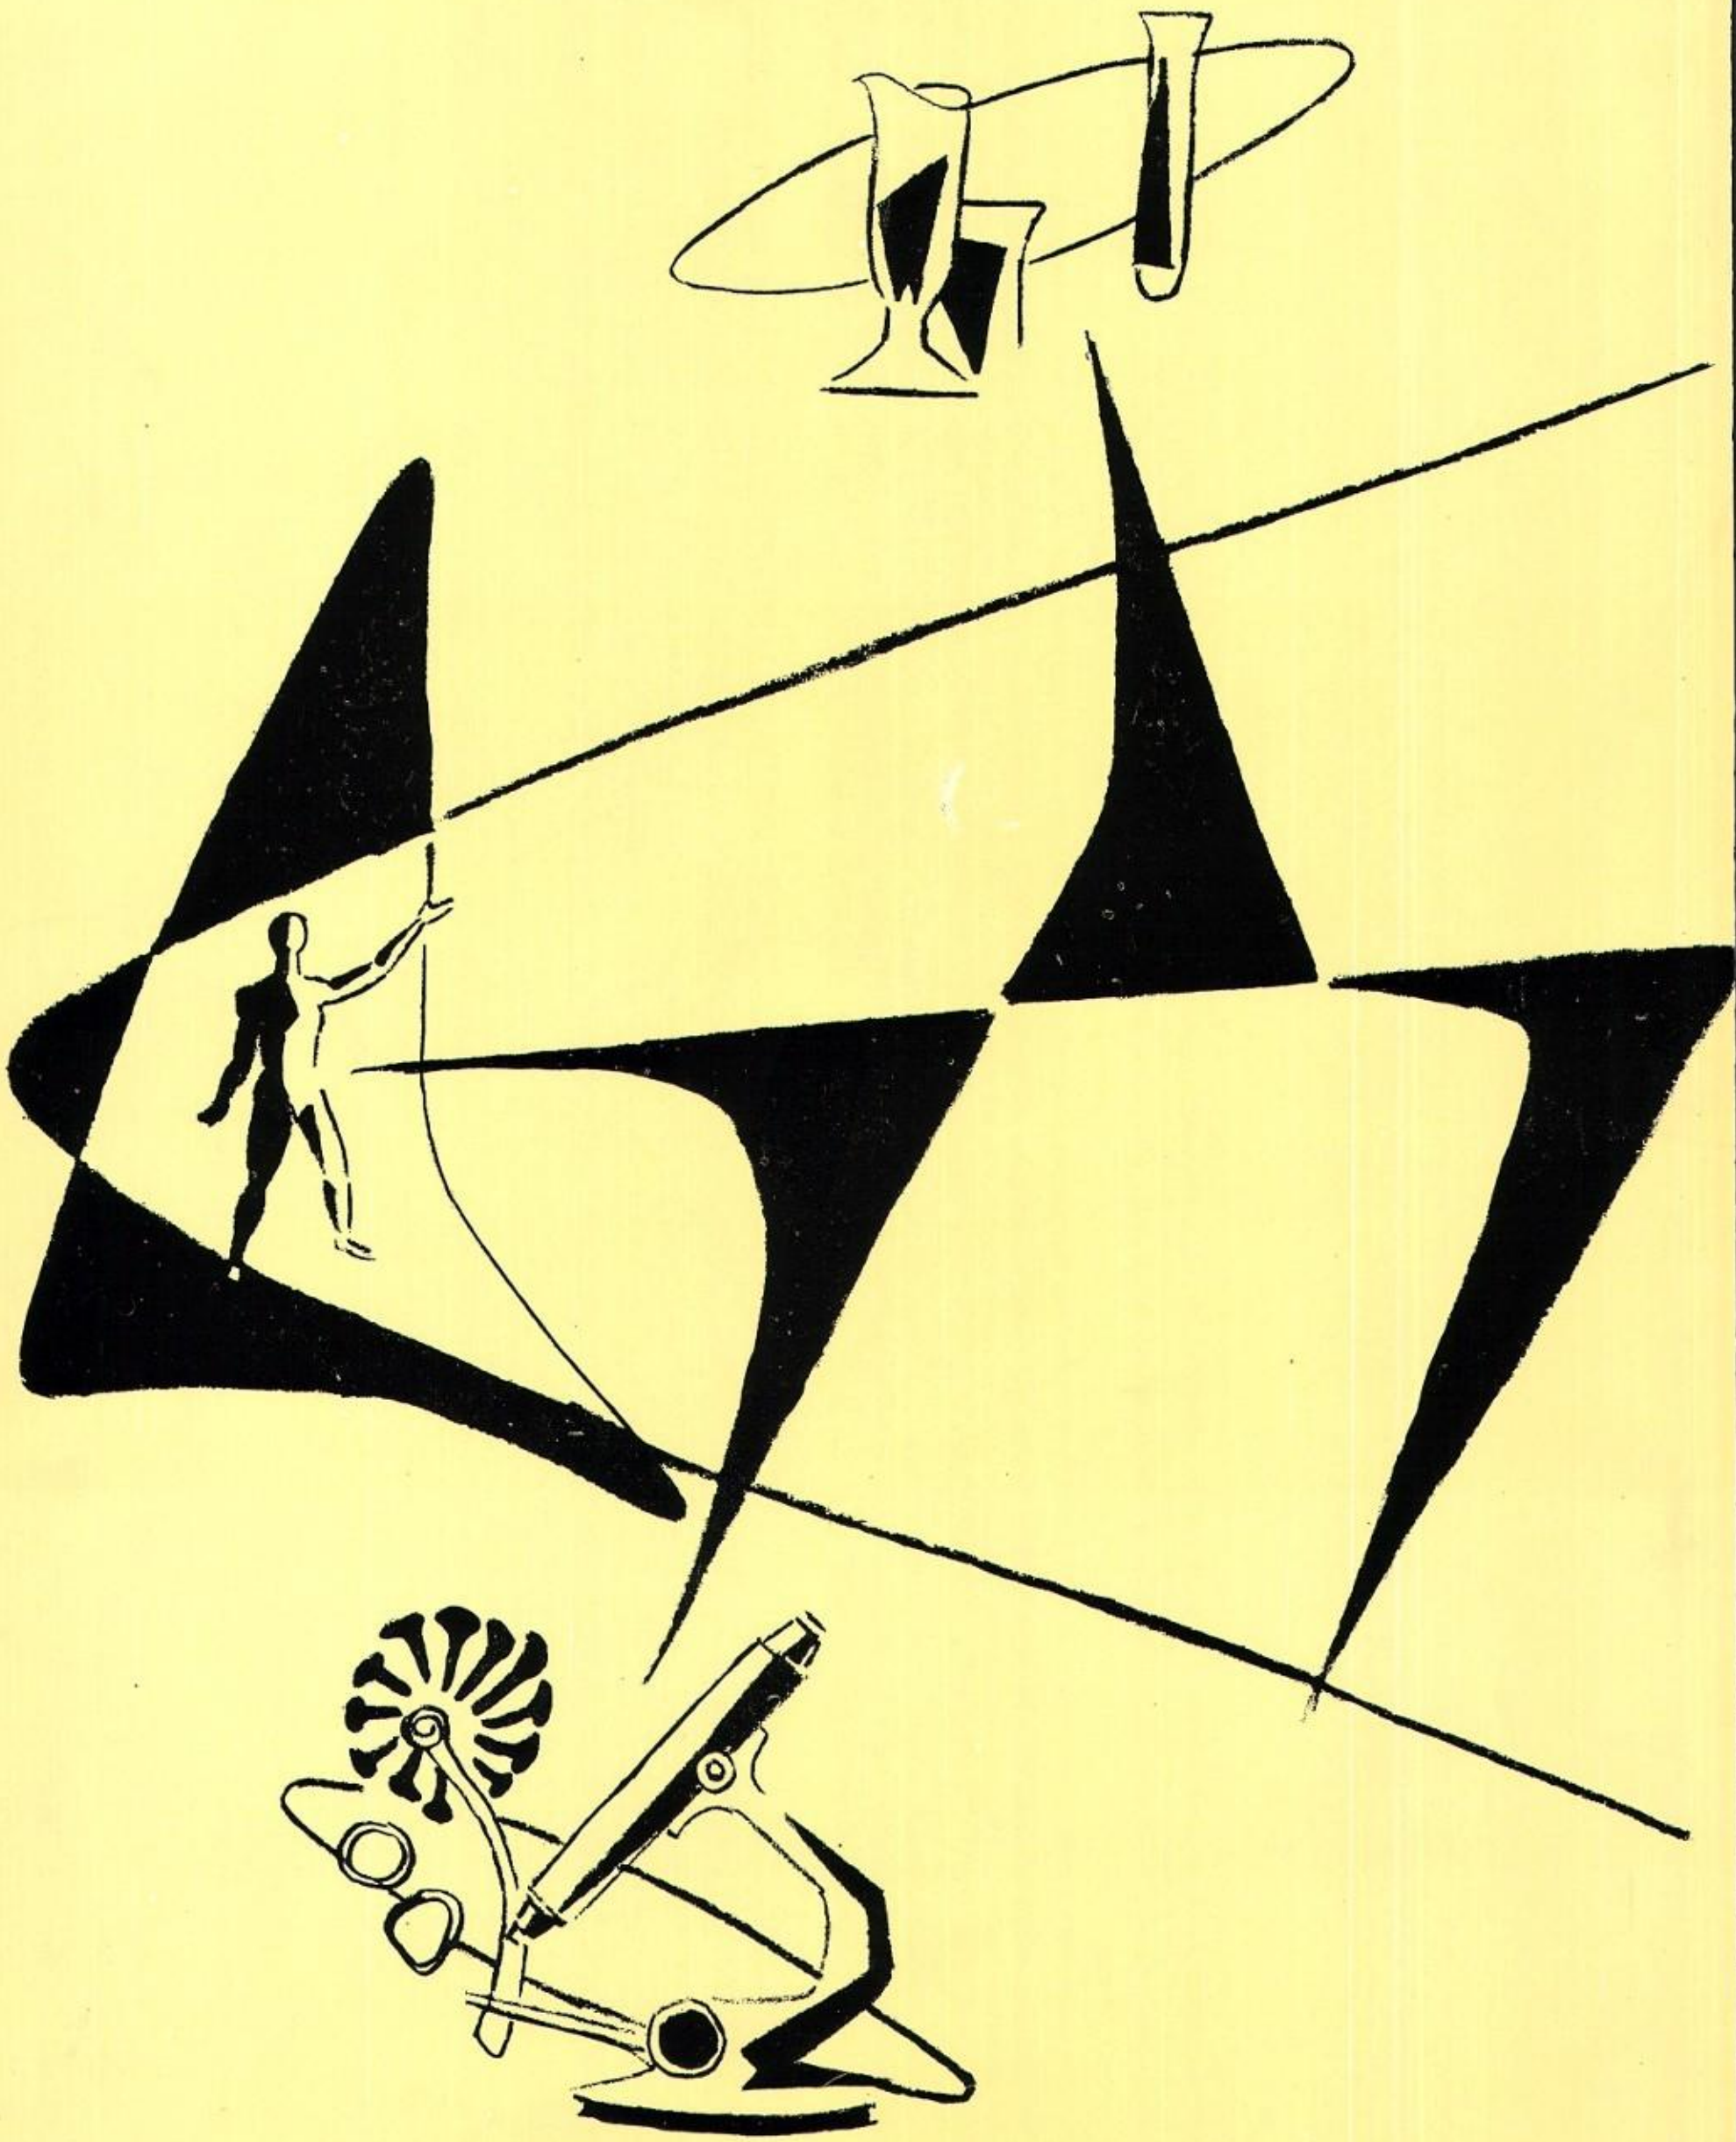

4343 W. Wrightwood Avenue

Chicago, Illinois

*"Kelvyn Park we love you"—
Looking back through memories of our years
We give you thanks and say "Adieu"—
Then look ahead, cast off our fears,
For vistas unlimited lead us where the world is new.*

Dear Carol,
I think you a real
sweet girl, we've been
friends for a long
time and I hope
we will always
be good friends.
And I wish you the
best of happiness,
and luck in whatever goal
in life you chose.
success,
Always,
Your friend

Vistas

Each man has a yearning to mark the scroll,
A relentless burning to gain some goal,
And though its presence may not be apparent,
The question of *why* is always inherent.

In schools such as ours, if one's heart is in learning,
The question of *why* plays a part in our yearning,
And if your ideas are fleeting and few,
Why opens vistas that bring more to you.

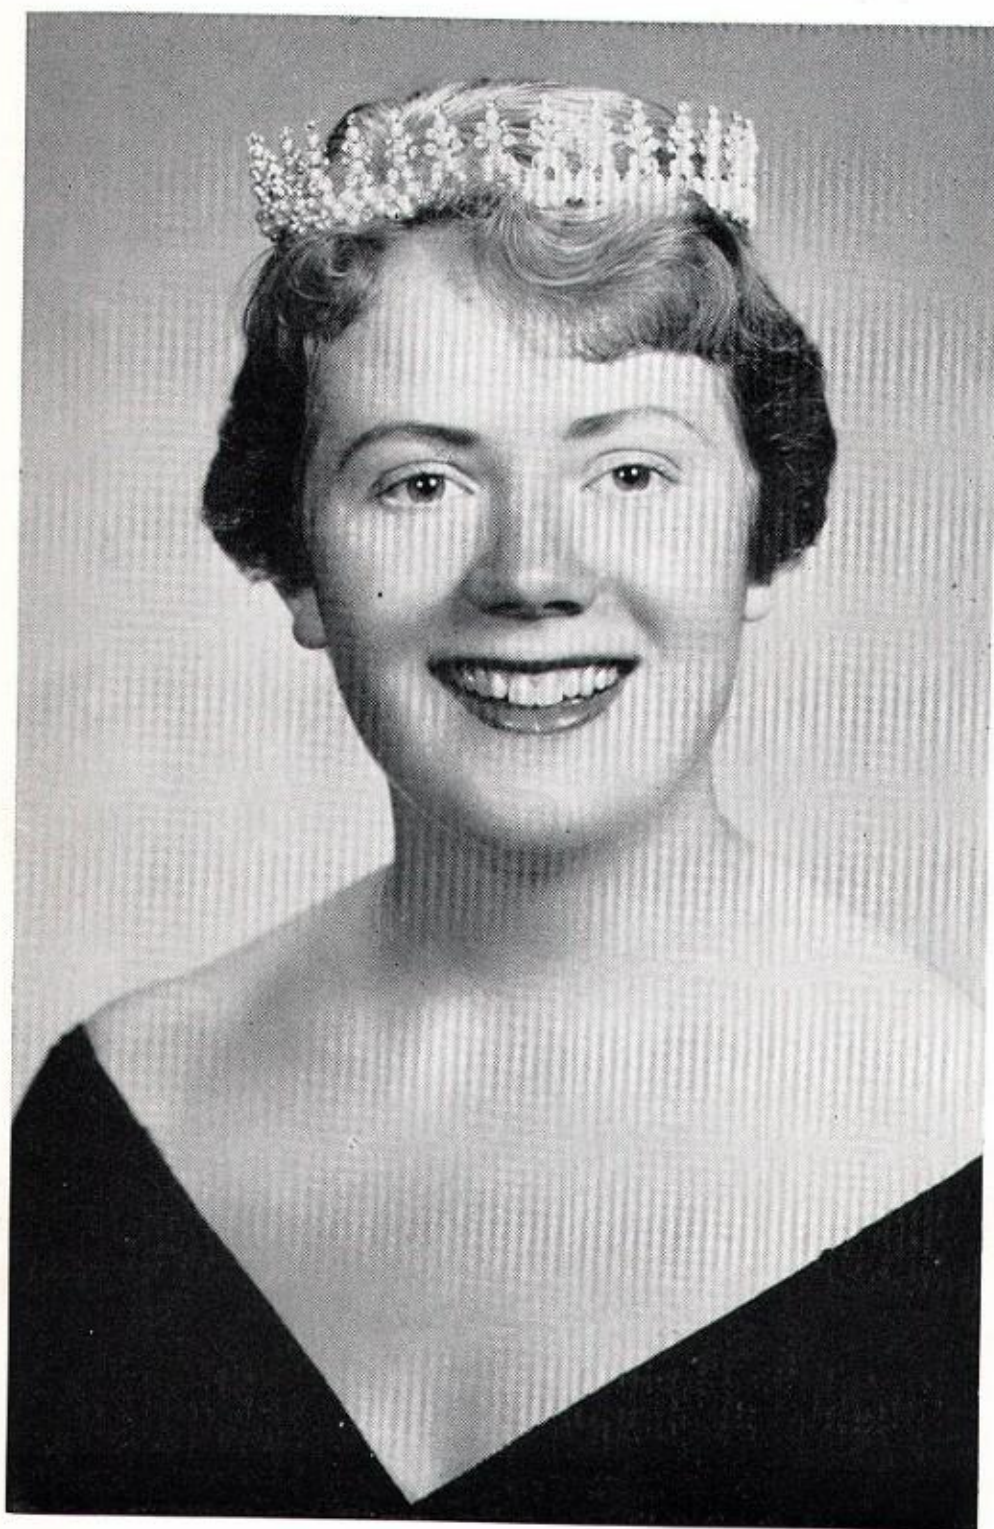

Why opens the way to new vistas for all
Who seek to answer its mystical call;
And because in man's nature *why* holds a place
He now strives to conquer the vistas of space.

The answer is sought through many conceptions,
The object approached from many directions,
But when the end is clearly in sight,
The travelers will find that they can unite.

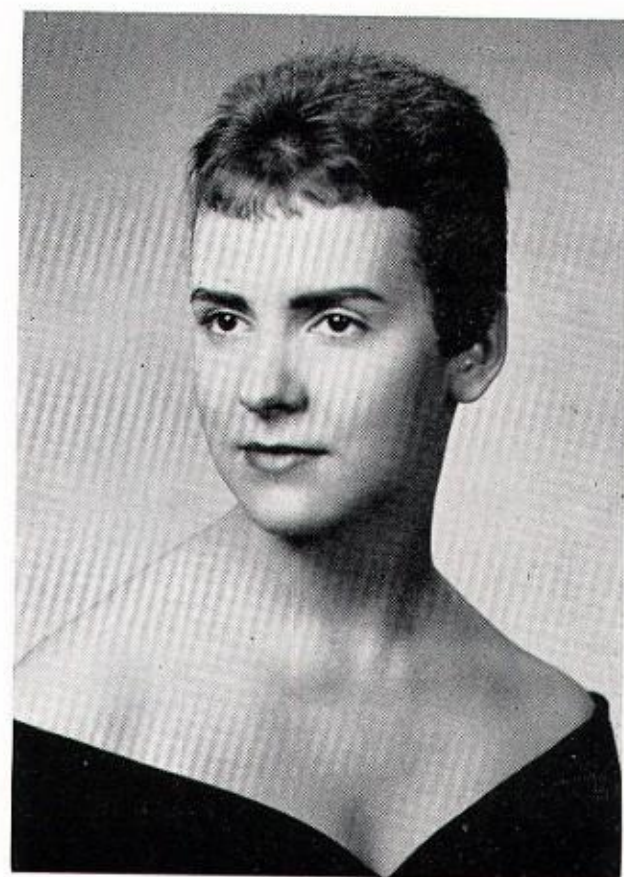

Why is the beacon that guides to our dream:
Vistas, we've chosen for our yearbook's theme —
Vistas of truths known and unknown,
Beauty whose vistas are still ours alone.

With much pride the Kelvynian presents Queen Beverly and her Court of Honor for 1957-58. These girls were recommended for superior scholarship and character, and were elected by all subscribers to the Kelvynian for their beauty and charm.

The Kelvynian Staff extends congratulations and best wishes to these girls for a successful and happy future.

THE SCHOOL

*The school with its vistas, wisdom's value discerning,
Tries to awaken in each student a thirst for learning.*

Our Principal

*Important always in any situation
Is the job done by our administration.
Things hum in the office from day to day
To make life at Kelvyn pleasant and gay.*

Education opens avenues, expands horizons, and enriches experience for those who will take advantage of the opportunity. Education not only provides training for earning a living, but gives the individual the necessary tools for thinking, for enjoyment of life, and for an understanding of the world and its people.

Edna M. Siebert
Principal

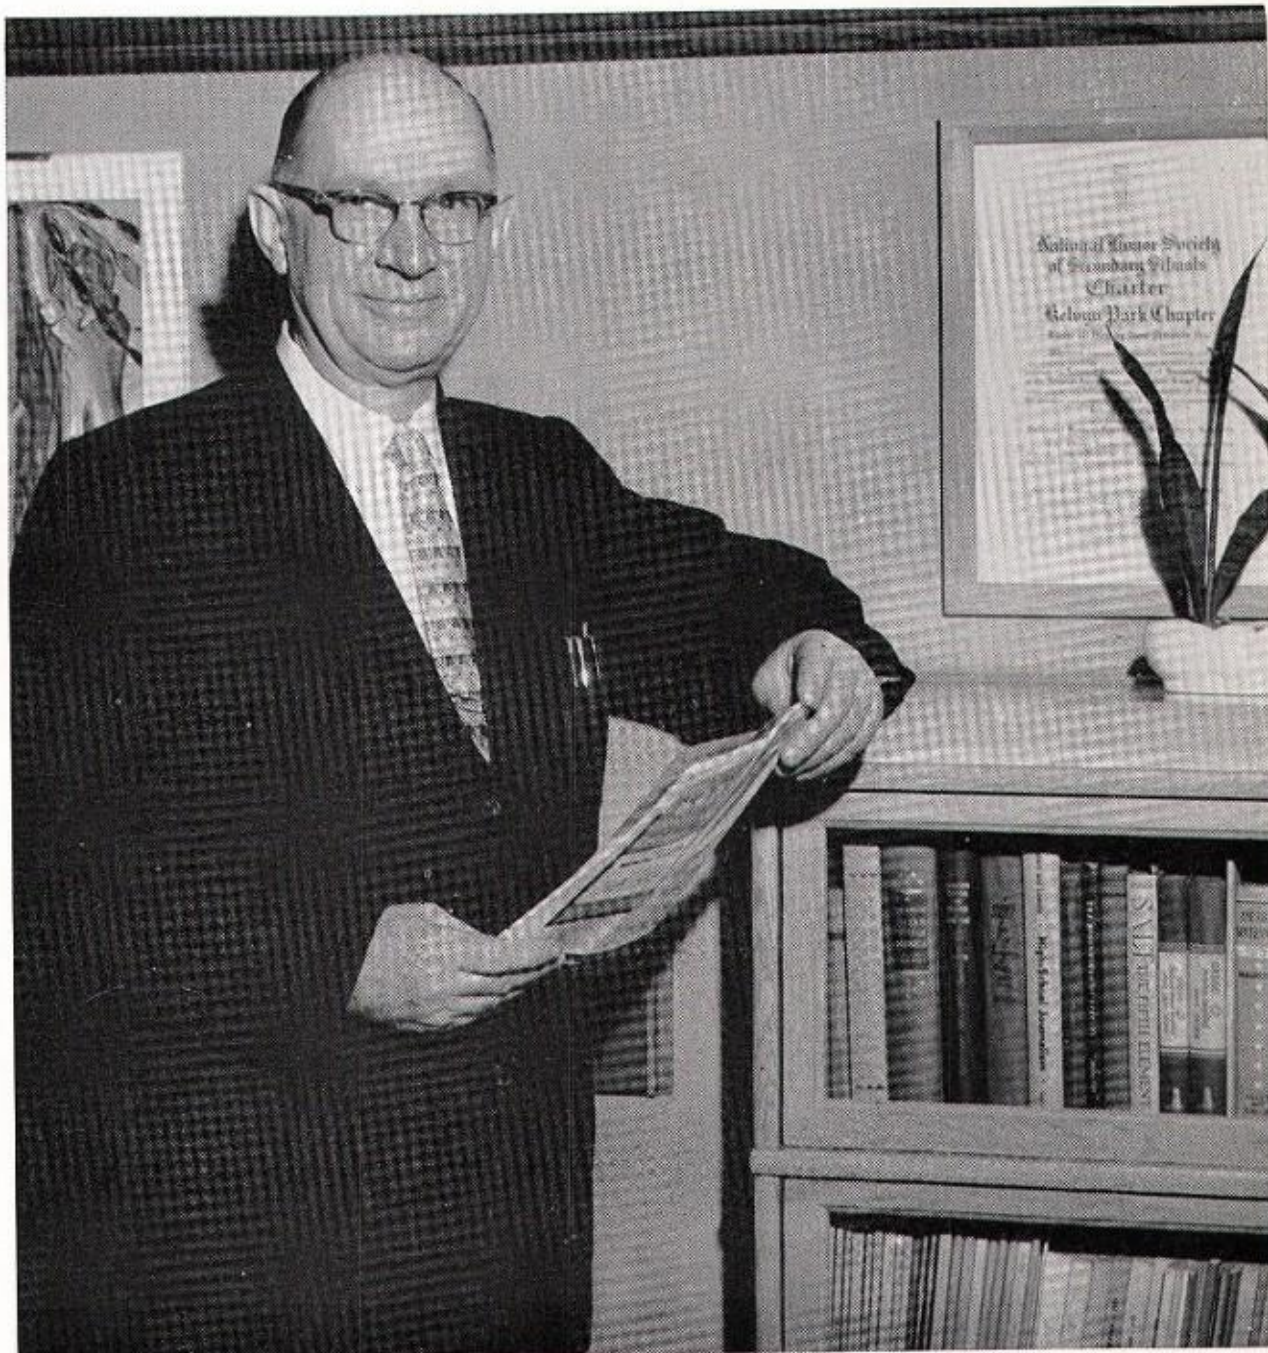

A Message to the Graduates

from Norman L. Samuelson

It is a pleasure to extend best wishes to the graduates through the Kelvynian. Your graduation culminates four years of accomplishment at Kelvyn. I express the hope for all of you, that the years ahead will hold an abundance of happiness and a constant feeling of satisfaction in work well done.

To Laurel Hansen

Does the name Laurel Hansen bring memories to you?
Perhaps if you knew her it brings quite a few,
But names are often hard to place.
Glance at the picture; remember her face?

Those in division with Miss Savino
Will quickly recall Laurie's warm smile and glow.
Spring Festivals saw her as part of Girl's Chorus.
She joined Spanish Club, and was hallguard for us.

Laurel had friends, both girls and boys;
Her engagement brought her many joys.
Ties to her family were true and strong;
She was always ready to help them along.

Laurie was led from our lives one day,
To enter a new life, to live a new way,
To rest from the worries and cares of this world,
To find with the Lord, life's mysteries unfurled.

Students who are endowed with outstanding **character, scholarship, and leadership** look forward to membership in the N.H.S. as the culmination of a long vista of **service**. Many prospective members are eliminated because only 15% of each graduating class can become members over a period of three semesters. The semi-annual induction is a very impressive and memorable event for both the inductees and their parents.

At the mid-year initiation, President Margaret Erkiletian presented Mr. Samuelson with a plaque as a token of the society's appreciation.

Quill and Scroll

The Quill and Scroll is an international organization for students who excel in the journalistic field. Membership in the Kelvyn chapter is restricted to juniors and seniors in the upper third of their class who have worked on the Panther or Kelvynian. In the past year the Quill and Scroll sponsored the "Shamrock Hop", skating parties, and set up and successfully maintained a school supply booth. The June banquet was held at the Tally-ho with Mr. Roger Dettmer as guest.

Staff

Once again the Panther was awarded a first place certificate by the Columbia Scholastic Press Association.

The staff feels the re-establishment to first place is mainly due to the fact that most staff members have taken journalism, thus making them more qualified to do a better job in editing the Panther.

Judged on a point system, the Panther received a score of 852 out of a possible score of 1,000. In content, the Panther scored 257 out of a possible 300; in writing and editing, 346 out of a possible 400; in make-up, 164 out of a possible 200; and in general considerations, 85 out of a possible 100 points.

Congratulations!

STUDENT COUNCIL

Sponsor: Mrs. Jane Blair

A group of Kelvyn's representative students meet bi-monthly to discuss problems and situations which arise in everyday life at Kelvyn and in its community. The Student Council will always have their vista: a better Kelvyn.

LIBRARY ASSISTANTS

Sponsor: Miss Grace D. Poltrock

The library's vista is learning unlimited. With their daily tasks of shelving and mending books, cataloguing, stamping, and filing cards, the Library Assistants keep the fortunes of the printed page secure. It's fun, too.

Future Teachers Of America — Home Economics Club

The vista of more and better teachers is sought by our William Thorndike Chapter of the Future Teachers of America. Monthly meetings feature lectures given by the faculty on the requirements, advantages, and methods of teaching.

Our Home Economics Club was organized to train us for future home-making and for service in our communities. Helpful dramatizations on customs and etiquette point up useful vistas for a future of good homes and happy people.

Designing posters and stage decorations for special assemblies, clay modeling, figure sketching, and making collages are a few of the many things which keep Art Club members busy.

Their vista? To become truly fine artists and bring beauty where it is often lacking in the world.

A new club, the Interior Decorators have already contributed several table decorations for a number of Kelvyn's social functions.

Using visual aids such as fabrics and slides, these girls learn about textures, color schemes, and types and periods of furniture.

These young decorators have a vista too: more beautiful homes.

Concert Orchestra

Sponsor: Miss L. Frances Fischer

It was the second term of the six period day, and students found it harder to fit Orchestra into their programs. Some sections were small, some large. They did the best they knew, and their best was good enough to put on fine performances for the Activity Show, Centennial, and Graduation. A better balanced group turned out for the second semester and presented an excellent performance for the Spring Music Festival in Kelvyn's fine tradition.

The Band

In September, 1956, a group of Freshmen entered Miss Fischer's room. They were about to embark on their journey into the world of music, most of them green to everything in it. Their vista was to learn to play an instrument and to play it well. Now in June, 1957, many of them have taken giant steps toward their goal.

Voice lessons are offered to supplement the vocal instruction available in our choruses, and to develop solo voices. Culmination of the year's work was the annual voice evaluation at which our students were rated very highly due to the excellent and inspiring teaching of Mrs. Forest Holt Gross.

True appreciation of jazz, enjoyment, and sociability are the main purposes of the Jazz Club. The major accomplishment of the club's first year was its presentation of an assembly, "Back to Bach" in which the history of jazz was depicted.

Lower left: Foreman goes for a yard.

Center: Quarter-back, Dick Larsen, winds up for touchdown.

Lower right: Senn player comes to a halt.

Last season was a hard fought time with its ups and downs. The score board had its downs but the school's spirit was mostly ups. Fine play was contributed by such fellows as Jerry Bober, Dick Larsen, Ron McConnell, Bob Nelson, Dale Evans, Mike O'Brien, and Ray Empero, plus hard line play by the combination of Jones, Buchanan, and Leonardi. Early this spring next year's squad was sighted, and its returning lettermen along with a young sophomore group looks very good.

Basketball

At the end of the '56-'57 season, Coach Robert Frank congratulated Rich Bellizzi on the fine job he did as captain of the team. Capt. Rich with his total of 163 points was ranked among the top basketball players in the city. Other leading scorers were: Art Friess, Terry O'Brien, Jon Peterson, Ken Drum, Leroy Klimek, Stuart Byker and Bob Romano. It was a young team, but what it lacked in experience, it made up in sportsmanship and spirit.

Baseball

The Panthers fought a hard season of baseball. There were some heartbreakers lost, but the team accepted them in their stride. Harbison, Klimek, Bellizzi, and Romano will always be remembered as Kelvyn's "murderers' row". The Panthers had superb pitching efforts from Bob Romano and Leroy Klimek. The best of luck to next year's fighting nine.

One of Kelvyn's important but little known teams is the Rifle Team. There was keen competition among its members for the position of number one man and the R.O.T.C. Marksmanship Medal. John Koziol took this honor.

The goal of every sportsminded boy is to become a member of the “K” Klub. To earn a letter one must participate in various sports, such as football, baseball, basketball, tennis, or skating. This club is the oldest organization in the school; it was started in 1933, was then, and is still sponsored by Mr. Philip Brownstein.
